

Brighton & Hove Building Green

Second Action Plan, 2008-2009

Final, agreed 07 July 2008

O1 Raise awareness to increase acceptance and desire for greening

- Partner Eco Open House 2009 (Matthew Thomas)
- Run second DIY workshop (Adam Ingleby)
- Promote Living Roofs DIY CD for sale (Adam Ingleby)
- Presence and promotion at Green Architecture Day (Bryn Thomas)
- Presence at Sustainability Conference, 30-31 Oct (Adam Ingleby and Hanna Waldbaum)
- Run workshop for planners on green roofs and walls (Andrew Coleman)
- Make mini-green roofs available for conferences and events (Adam Ingleby, Marc Woolward)

O2 Increase number and quality of major installations

- One roof: Roof at Hove Town Hall (Adam Ingleby)
- One wall: Green wall project (James Farrell with Hanna Waldbaum and Marc Woolward)
- Increase number of case studies (Matthew Thomas)

O3 Measure the environmental contribution of installations

- Monitor roofs for flora (Matthew Thomas)
- Use of green roofs and walls for academic research – Community University Partnership Programme

O4 Promote B&H as a leader in building green

- Increase visitor numbers to website (Marc Woolward)
- Print business cards – use at World Green Roof Congress (James Farrell)
